WELCOME TO FORNERIA 1983

At Forneria 1983, pizza is treated as art. We follow the traditional Neapolitan school, famous for its light dough, high airy crust, and authentic flavor.

Our dough is made with Italian flour and natural fermentation, resting for long hours to achieve lightness, digestibility, and that unmistakable touch. The result is a thick, fluffy crust – soft inside and lightly charred outside, just as Neapolitan tradition requires.

We use only carefully selected ingredients: some imported from Italy, others fresh from local producers – always committed to delivering the best in every slice.

Feel the flavor, the tradition, and the soul of true Neapolitan pizza.

Buon appetito!
